

Monthly Submission of Exports Statistics

SGEPC/Exp.Stat/08-09

15th Sep 2008

To: All Members of the Council

Dear Members,

This is with reference to the decision taken during 41st EGM of the council held on 18th August 2008 at Jalandhar, regarding submission of export statistics. As per the decision, the export statistics will continue to be submitted **MONTHLY** by the members.

Members are requested to submit their export statistics online on the website of the council www.sportsgoodsindia.org by using their usernames & passwords already allocated.

The time period for online submission of exports statistics remains same i.e 45 days to avail reduced rate of trade contribution (0.04%). However, in case of submission of export statistics to the council's office in physical form, the time period, to avail reduced rate of trade contribution, would be 35 days so as to allow few days to the council to submit statistics online on behalf of concerned members.

The trade contribution applicable in each case is again summarized below:

Mode of Submission of Trade Statistics	Time Period	Applicable Trade Contribution
Online Submission through website	Within 45 days	0.04%
Online Submission through website	After 45 days	0.05%
Receipt of figures physically at Council's office	Within 35 days	0.04%
Receipt of figures physically at Council's office	After 35 days	0.05%

Members are requested to note and avail reduced rate of trade contribution by timely submission of export statistics.

Yours sincerely,

S/d
