You are, therefore, requested to submit the data in the enclosed DBK I, II, III statements and covering proforma. B. In addition to the above, the data is also required to be submitted in the enclosed formats (**Proforma 1(A) 1(B) Proforma II & Proforma III**). Last year the Drawback Directorate was particular about these. Therefore, it is very necessary that data should also be prepared accordingly. We have to make special efforts to ensure that there is no anomaly in the data submitted in conventional proforma DBK I, II & III and new proforma so far, as consumption, import prices, F.O.B. values etc are concerned.

Kindly ensure that the data/information in above mentioned proforma complete in all respects along with enclosures specified above reaches this office latest by 15.03.2013 so that the same may be examined in detail before preparation of the final data.

Thanking you,

Yours faithfully,
